

Grant Listing

2023

2023 Grant Recipients

Exelon Corporation

Exelon's vision of providing superior value for our customers, employees and investors extends to the communities that we serve. In 2023, the Exelon family of companies provided over \$47 million to non-profit organizations in the cities, towns and neighborhoods where our employees and customers live and work. In addition, the Exelon Foundation and PHI Foundation contributed over \$11 million to communities Exelon serves.

Our employees' efforts complement corporate contributions through volunteering and service on non-profit boards. Our employees volunteered 135,823 hours of community service in 2023. In addition, employees contributed \$5.8 million to the charity of their choice through the Exelon Foundation Matching Gifts Program and the Exelon Employee Giving Campaign.

Exelon (Nasdaq: EXC) is a Fortune 200 company and the nation's largest utility company, serving more than 10.5 million customers through six fully regulated transmission and distribution utilities — Atlantic City Electric (ACE), Baltimore Gas and Electric (BGE), Commonwealth Edison (ComEd), Delmarva Power & Light (DPL), PECO Energy Company (PECO), and Potomac Electric Power Company (Pepco). 20,000 Exelon employees dedicate their time and expertise to supporting our communities through reliable, affordable and efficient energy delivery, workforce development, equity, economic development and volunteerism. Follow Exelon on Twitter @Exelon.

Exelon and its operating companies issued one or more grants to the organizations listed on the following pages for initiatives related to Exelon's giving areas and grant programs. Exelon is proud to partner with these organizations in our efforts to be a good neighbor.
